Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner notified Applicant of typos on page 4 paragraphs 6-9 where "Kobata" was cited. Examiner informed Applicant that the paragraphs should instead read and be understood to read "Kobata as modified." Applicant indicated that he understood the rejection of the claims cited in paragraphs 6-9 to be in view of the combination of Kobata and Stefik.

Discussed claim 1 and focused upon the "dynamically defining" step. Applicant indicated than an amendment would be forthcoming to further limit the claimed "dynamically defining" step .
